THANKFUL FOR NEW RELATIONSHIPS

As the doors closed this year at Cathedral Academy at Pompei School, another one opened at Most Holy Rosary welcoming our Guardian Angel scholars with open arms. Sherri Stone, the Principal at MHR, invited our staff for a school tour. Upon entering its doors, the school immediately radiated warmth with a reassuring feeling of family. Through the hallways, we were greeted with vibrant artwork and bright student smiles. Guardian Angel is pleased to report we are currently supporting 21 CAP students at MHR. We are thankful to the staff at MHR for working with Guardian Angel to make the transition to a new school a smooth and easy one. We are grateful that Father's kids have found a beautiful home at Most Holy Rosary School to continue their path to a Catholic education and Destination Graduation.

THE GIFT of EDUCATION

We are so thankful to all of you who continue supporting Father's mission. Father started the Guardian Angel Society 27 years ago to combat the cycle of poverty by helping children receive a high quality education based on strong values. Without your help, the gift of education for our students would not be possible. The impact of your gift cannot be overstated. As indicated in our message, the expense of a Catholic education is much higher than our families can manage. In order to provide relief from this financial burden, your continued support will carry Father's mission into the future and continue to open doors for His Kids.

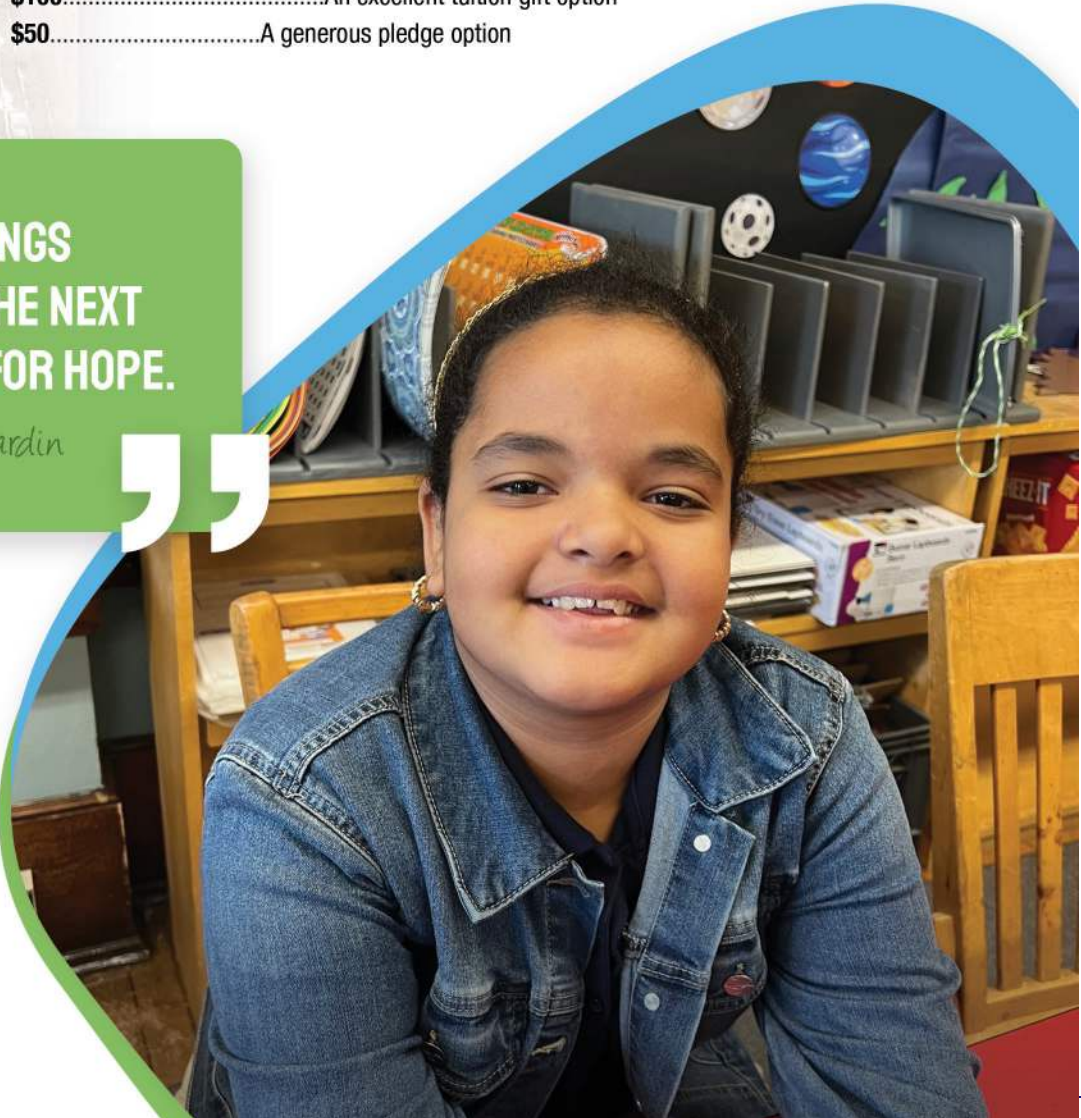

YOUR GENEROSITY MAKES A DIFFERENCE, HERE'S HOW:

- \$9,000 - \$13,000.....Full tuition for one child at the Jr./Sr. High level
- \$5,200.....Full tuition for one child at the elementary level
- \$2,600.....Half year tuition for one child at the elementary level
- \$575.....Monthly tuition for one child at the elementary level
- \$100.....An excellent tuition gift option
- \$50.....A generous pledge option
